

HOW TO LOOK AFTER & USE YOUR FOLDAWAY ATTIC LADDER

1. Before climbing, make sure the ladder is fully extended and that there are no gaps between the ladder sections.

2. If your Attic Ladder has not been installed in accordance with the manufacturers installation instructions your warrantee may be void.
3. Lubricate all pivot points on your Foldaway Attic Ladder at least once a year. If your Foldaway Attic Ladder is used more then three times a week, lubricate every 4-5 months.
4. Face the ladder when you are climbing up and down.
5. Do not leave young children unattended while ladder is folded down.
6. If you have any concerns with your Foldaway Attic Ladder, or it is damaged in any way please call 0800 288 427
