The boy is wearing a dark jacket and brown boots. They are both smiling. The ladder is positioned in the center of the frame, leading up to the attic floor. The attic floor is made of light-colored wood and has a large opening in the center. On the left side of the attic floor, there are several cardboard boxes and a grey bag. On the right side, there are several white storage bins with black lids. The background shows the wooden structure of the roof and the white walls of the room below.
